

NOT A **FAN** OF ILLEGAL DUMPING?

Report it to Byron Shire Council **6626 7000**
or online via www.ridonline.epa.nsw.gov.au

WHAT OPTIONS DO I HAVE FOR DISPOSING UNWANTED ITEMS?

- 1** Transport them to the Byron Resource Recovery Centre and utilise Councils annual free drop off service. Each household receives one FREE drop-off of up to 150kg of bulk waste or 500kg of garden waste. To utilise your annual free drop off service:
 - ✓ If you are an owner/occupier present your rates notice, quarterly instalment notice or Council water bill directly to the Byron Resource Recovery Centre Weighbridge.
 - ✓ If you are a tenant you must obtain permission from the property owner or real estate agent by filling out a bulk waste disposal tenant form found via Councils website www.byron.nsw.gov.au
- 2** Try selling or giving away unwanted items on an online platform such as Gumtree, eBay or on the Facebook group Byron Bay Swap and Sell.
- 3** Hold a garage sale or ask charity if they will accept your items.

Please consider alternatives to landfill. Reducing the items entering the waste stream reduces the impact to the environment.
